

KENTUCKY LABOR-MANAGEMENT CONFERENCE SCHOLARSHIP PROGRAM

The Kentucky Labor-Management Conference (KLMC) scholarship program was established in 2005 to encourage and reward the leaders of tomorrow's workplace. Previous award recipients embody the ideals that cooperative labor-management relations can lead to stronger, more effective business and work environments in Kentucky. The KLMC Board of Directors enthusiastically supports this scholarship opportunity and hopes you will encourage students you know to apply.

If you are aware of anyone that would be qualified and interested in pursuing this opportunity for 2025, please have them refer to the website www.kylmc.com or contact Jerald Adkins at (502) 320-3837.
